Resolution 1011-WI-07

A Resolution to Allocate $1000 of Discretionary Funds to the "Anatomy Memorial Service"

Author: Megan Conroy (.54), Chief of Staff
Sponsor: The Executive Committee
Introduced: February 6, 2011

WHEREAS, Each year 150+ individuals donate their bodies to The Ohio State University Medical Center; and

WHEREAS, these bodies are used for research, teaching and educational purposes in many parts of the University, including the Schools of Medicine, Dentistry and Optometry; and

WHEREAS, the anatomical education is pivotal to every health care professional; and

WHEREAS, it has become tradition for students to plan a memorial service in honor of these generous anatomical donors, and this serves as a major form of outreach on behalf of the University and Medical Center to the community; and

WHEREAS, the service costs over $5,000 to hold and all funds come from student-planned fund-raising; and

WHEREAS, the medical and dental-student planned service will be held in Spring 2011 and include the family and friends of the donors; and

THEREFORE LET IT BE RESOLVED, that the Inter Professional Council allocate $1000 of discretionary funding to the "Anatomy Memorial Service."
