Resolution 1112-WI-002

Supporting the Dental Entrepreneur Society (DES) Inter-professional Networking Event

Author: Mahvish Ahmed, Delegate of the College of Dentistry

Introduced: February 5, 2012

Whereas: The Dental Entrepreneur Society is hosting an inter-professional networking event Tuesday February 21st, from 6-8 PM in Postle Hall where they will need help funding refreshments at the expense of $250; and

Whereas: All professional students from the Health and Sciences colleges are invited. Dean Lloyd will briefly talk about the importance of business education in the health profession. Dr. Lawrence Inks, Clinical Associate Professor of Management and Human Resources of the Fisher College of Business is going to speak about talent management. Networking and tours of the dental school and clinics will conclude the evening; and

Whereas: With this event and others in the future, the Dental Entrepreneur Society hopes to help initiate a collaborative and interconnected professional business network on campus; and

Whereas: A university committee is requesting this; and

Whereas: All professional students will love us for this and benefit; and

Therefore let it be resolved the Inter-Professional Council support this by funding for $250 refreshments.

Approved by the senate on February 5, 2012

Megan Conroy

President, Inter-Professional Council
