- B. Please share in any groupme, facebook, etc.

Inter-Professional Summit: Buckeyes Learn the Spectrum!

Join us on April 16th for our annual Inter-Professional Summit. IPC's goal this year is to raise awareness and educate professional students at Ohio State on the barriers for those with autism when receiving services and how we as professionals can help alleviate those barriers. We intend to have an introduction discussing

Neurodiversity and Autism followed by three primary panels in the morning:

1. Spectrum Barriers & Neurotypical Biases
2. Inclusive Communication
3. Working in Our Professions.

In addition to the panels, we will have a keynote speaker: Haley Moss. "As an attorney diagnosed with autism at the age of three, author Haley Moss grew up knowing what it was like to feel unheard or unseen because of the way she communicated." ([ABA Website](#)) In addition to her keynote speech, Haley will speak on multiple panels.

Following lunch, we plan to have an interactive activity, the details of which are still in the works. All panels and activities will be focused on particular topics to prepare Ohio State's professional student body to better serve the neuro-diverse community.

To register, fill out [this google form](#). The earlier you register for the event, the more tickets you will receive to enter raffles at the event for high-dollar prizes!

9) **Mental Health Series Update:** _____ **Candice Park/Kaitlyn Rexroad**

A.

10) **Service Chair Update:** _____ **Olivia LeRoux**

A.
