President Update

Nothing. Tariq wasn't able to make it.

Vice President Update

Brian has finished a tentative budget but it was on estimated numbers because the people who disperse IPC's funds have not sent out the concrete numbers regarding our funding. The lack of information has affected our ability to accurately complete a budget to this point.

Brian has also requested that Senators submit any ideas for swag that they would like to see.

There was a significant amount of funding left over for such things last year so he would like to put together a few things for the senators to receive.

Chief Justice Update

Jeff informed the Senate that the PDF website has been updated. He asked the leads to please send along the PDF information page URL to each of their respective schools and to urge students to apply for PDF funds!

Chief of Staff Update

None

Social Chair Update

The IPC Bowling event has been scheduled for 10/16 with a rough estimate of 120 people based off the 100 people we had attend last fall. The numbers/amount of food and drinks to be provided will be figured out at a later date once more concrete numbers can be established.

The Social THIS FRIDAY (10/3/2014) HAS BEEN POSTPONED due to the PODEMOS volleyball tournament. The proposed date at this point to hold the social is 10/24/2014 pending approval.

Social Chair Update

The soccer tournament was a success! We had 6 teams enter and we were able to raise \$100.00 and lots of canned food to be donated. Congratulations to the School of Optometry for bringing home the trophy.

Outreach Chair Update

Hallie urged the senate to email her with any ideas for swag. She also sent around a sheet regarding the proposed dates for each school's Outreach Breakfast. At this point we are hoping to hold them the week of Halloween. The proposed dates are either: Monday, 10/27; Tuesday, 10/28; or Wednesday, 10/29. The sheet passed around was to determine which day would be best for each school.

PR Chair Update

Nothing.

New Business

We are hoping to make a few changes to the Constitution as it is written. We discussed the potential changes and we will vote on them next month.

Page 25 of Handbook – lists that each school should have 5 Senators. The proposed change was to make this language read “6” Senators for each school. This would make the language consistent with the rest of the handbook.

When Brian asked the Senate for comments either for or against the change, no one spoke and all seemed to be in agreement with the proposed changes. Again, the vote on these proposed changes will be at the next senate meeting.

Adjourn

Reminder: we must remember that as representatives within IPC we are expected to attend all meetings unless there is good reason. The attendance policy, which everyone has been provided with, states that Senators are not to miss two consecutive meetings. Also, it is expected that members of IPC will not miss more than either 2 or 3 meetings total without a valid reason.

IPC representatives will be held accountable for this and all other policies in the Delegate Handbook.
