

**Inter-Professional Council  
Senate Meeting  
Ohio Union Senate Chambers**

January 27, 2019

## **IPC Executive Committee, Justices, Senators**

**President:** Sarah Gartner  
**Vice President:** Matt Hamrick  
**Secretary:** Candice Park  
**Chief of Staff:** Kyle Hickman

### **I. Speakers:**

- Black Law Students Association (BLSA)
  - Yohana Mihreteab, President of BLSA
    - IPC funding helped grow last year's event (used for advertising, coke grant)
    - Now a national recognized chapter of BLSA
  - Luncheon will be open to all students (undergrad, grad, prof)
  - Estimated attendance from last year: ~160 people
  - Increase in funding requests due to underestimated food costs from last year
  - **Motion Passed 30Y 0N**

### **II. President Update: Sarah Gartner**

- Sarah will be out for next meeting (Feb 24th), Matt will run this meeting
- Inter-Professional Education
  - Curriculum and New director
    - Met with Dr. Clinchot, hiring of new IPE director underway
    - Revamping IPE entirely
    - Feedback from senate:
      - Repeat speeches given at recent pharmacy IPE event
        - Same lecture except with nurses, very little interaction with other professions
      - Pharmacy does 3 years of IPE, sometimes other professions are not required to be there whereas others are not required. Would like some flexibility and more convenient hours
      - Optometry IPEP sessions generally considered a waste of time. Many of the topics not relevant to all of the professions in the room
        - DiSC assessment not well received from optometry
      - Active learning (book club) much more preferred than a lecture for Vet students
      - Dentistry felt disrespected by other professions at some IPE events
      - Down the line, healthcare professions central building being built (primarily for Medicine)

- Goal is to have a good relationship with the IPE director
  - Food served at some of these events are not always presented with safe food options
- Professional Student Affordability Class
  - Steven Leborec and Tim Ulbrich teaching
  - Vet and Optometry have personal finance education integrated into classes
    - Optometry feels there might be a small amount of interest
  - Not meant to be a graded class
  - Potential interest among dentistry and pharmacy
  - Some students would like graded versus pass/fail
  - Availability all years of professional is preferred
  - Focus on paying off large amounts of debt over a short period of time, or at your own pace.
- Elections! Nominations at NEXT meeting February 24th
- Code of Conduct Update
  - Dentistry unsure if they have their own path to handle conduct issues
  - Next meeting (Feb 24th) bring more information on code of conduct regarding each professional school

**III. Vice President Update: Matt Hamrick**

- Budget
  - PILF, CFC, PODEMOS, ARAB dental, SVOSH, Anatomy Memorial?
- Casino Night April 20th 7-11PM

**IV. Secretary Update: Candice Park**

- Roster

**V. Chief of Staff Update: Kyle Hickman**

- Committee Updates

**VI. Chief Justice Update: Virgil Vulvara**

- Spring 2019 PDF window opens 2/8/19, please spread the word
- Major changes to the PDF for next year, to be discussed next meeting
  - Internships for law students that are not paid or that are in other cities potentially being included
  - Concern that change to prospective funding could result in many students not
  - Potentially change funding windows
  - Concern when grading applications that the same experience would receive 0 or full funding

**VII. Social Chair Update: Ani Tarimala**

- IPC Ice Skating - February 15th, 6-8 pm?
  - Subsidize part of each attendees fee rather than renting
- March 1st for Bar Social? - any suggestions
- Senator Social at Hocking Hills March 22-24th
  - Doodle poll coming out regarding senator social in hocking hills

**VIII. Service Chair Update: Nikki Auble**

- Community Day
  - Most likely April 6th or March 30th (Mock Trial Room Reservation - thanks TJ)

- Call for volunteers at community day (2-3 from each school)
- Find 1 or 2 professionals that would be good references for high schoolers
- Open to any help from other senators
- Add community day into IPE curriculum?

**IX. IPS Chair Update: Jordan Vajda**

- Registration Stats (as of Wednesday, 1/23) - registration looks great (206 so far)
  - Pharmacy: 40
  - Medicine: 30
  - Optometry: 17
  - Veterinary Medicine: 20
  - Dental: 10
  - Law: 6
  - Undergraduates: 9
  - Public Health: 5
  - Faculty/Staff: 4
  - Other Graduate Students: 3
  - All other: 3
- Please continue to promote IPS and have people register online - pharmacy and medicine leading in registration
- Continue to promote IPC Twitter/Instagram
  - 63 copies of Drug Dealer MD
- The Lantern interview for IPS - kind of stressful, but we got a feature story in the lantern
  - Twitter will be used for Q&A
- Will report post-survey results at Feb 24 IPC meeting

**X. Outreach Chair Update: Kelly Lutmer**

- Donut Day Success - thanks leads
- IPS registration push - keep registering students, even while above 200 total
- T-shirt design needed - send designs to Kelly

**XI. Public Relations Chair Update: Natalie Hartman**

- Keep promoting IPS around your schools!
- Email Natalie (hartman.559@osu.edu) with event dates and announcements for the newsletter - still waiting on dates for events, send them to natalie when confirmed
- Free Dental Screenings (Allie Reed) - RSVP at osudentalscreening@gmail.com

**XII. New Business?**

Adjourn
